Hi,
Well it is now October and while this summer has passed quickly it means time for our Quarterly meeting which I know you all are looking forward to.

On the serious side we need help from the membership and here are a few things for our membership can do.

Pay you dues for this fiscal year, please check your date in the included roster to see if you are current. If dues not current then time to send in that money. Remember it does take money to keep this repeater running (facility rent, insurance, maintenance, and other fun things).

Come to the meeting on the 14th. While I know most of you would rather be doing something else we need you to attend Why "Because we Like You".

Items to be discussed:
Repeater maintenance.
UHF usage
Public service events.
Membership.
Emergency communication.
Christmas pot-luck dinner - location & time.
Other fun things we can think of discussing.
